Instagram: @mummycarebabysitters

Our child development programs are fully equipped to nurture child's vocational skills and encourage feeling like the world is aging up for them," so that they are inspired to be more grown up as opposed to reverting back to acting like a little infant". We build fun in growth, making growing up fun and physical practical learning. Our program includes physical, psychological and social milestones, which are basic for a solid foundation of childhood stage.

Babysitter Service Includes

- a. Mummycare child development engagement, activities and milestones with all our programs,
- b. Cleaning mummy and baby's room, as well as light cleaning and safety in the home
- c. Baby's laundry, ironing, feeding and bathing baby
- d. Mummy errands e.g. Taking baby cleaning for monthly check ups
- e. Travelling with babysitter, on vacation with baby if you need her assistance

Specialized childcare for special children. Furthermore, we aim to be specialized in providing childcare for special children. The parents and guardians that have children that need special attention and care can contact our establishment and we will find the particular babysitter or hired help that can manage and care for these children.

To meet your needs we have them all

- Professional babysitters
- Professional deaf babysitters
- Professional Multilingual babysitters (choose language, Chinese, French, Japanese, Korean)
- Professional Special education babysitters

We offer our Mummycare nannies, babysitters, househelpers and caregivers, employee benefits, continued training, guidance, development and productivity. Our HR department can also be contacted for **Placements and Training** for Office and Home cleaners/helpers.
